

Village of Harristown Residents,
Spring is here!

As Mayor, I receive many complaints from residents about Ordinance Violations, especially at this time of year.

Please know that these are handled by either a phone call, letter, or email to those properties or residents that have complaints about their property. Keep in mind that there is a process the Village must follow and sometimes this takes time for a problem to be resolved.

But, some of the most common complaints can be handled before there is a complaint filed. Those include:

- Weeds too tall and grass not cut.**
- Dogs not on leashes or people not picking up their dog's "poo".**
- Vehicles not registered or in such bad condition to be undriveable.**
- Trash or junk in yards - lack of trash pickup.**
- Barking dogs for long periods of time.**

Thank you for helping keep the Village a nice Community to live in.

Evelyn Deverll

Help prevent costly clogs and sewer backups

We have experienced an alarming number of clogged pumps at our sewer pump stations within the last 3 months because of foreign material being flushed down toilets, poured down drains, or dropped into manhole covers.

Here are a few examples of what should **NOT** be flushed down toilets, poured down drains, or put into manholes:

- Flushable wipes/baby wipes • Cloth rags or towels • Paper (other than toilet paper/tissue) • Medications (Prescription, or over-the-counter.) • Feminine hygiene products • Beauty products, Q-Tips, dental floss & container • Plastics of any kind • Grease of any kind – especially cooking grease • Garden supplies (such as pesticides, fertilizers) • Paint, varnish, paint remover • Motor oil, gasoline, or any explosive material.

811 before you dig.

April is National Safe Digging Month

Welcome to the Team!

We are pleased to welcome **Dr. April P. Bogan** as the newest member of the Village Board of Trustees.

Brush Collection Resumes

Brush collections will continue to be the 2nd Tuesday of each month, starting in April- October. Remember all yard waste needs to be in bags. All branches need to be cut into 4 foot or less lengths. Brush pick-up is intended for branches removed during routine trimming or due to storm damage. Brush and yard waste **MUST** be by the curb.
