

Goodbye 2023, Hello 2024!

*2023 was a busy year for the Village of
Harristown. Here are a just a handful
of the things that have been
accomplished this past year....*

*The Veteran's Memorial was completed,
including landscaping.*

*Many roads in the village were regraded to
help with drainage issues.*

*New businesses were opened in the Village;
Billingsley's Gas Station, Mystic Greenz, West
Main Liquor, The seasonal Atterberry market,
& The Pizza Place on Main.*

*Work began on the site of the new park
location.*

*Here are a few things we hope to
accomplish in 2024....*

Welcome more businesses into the village.

Ditch and drainage work.

Work and update for the sewer system.

*Start construction on the courts & playground
for the new village park.*

REMEMBER

You can always email the Village directly from the
website or by emailing

If you notice a streetlight
burned out call
Ameren at 1-800-755-5000

All routine plumbing in your house (i.e. replacing a faucet, fixing a drip, etc...), that requires your water to be shut off at the meter by public works will need to be done during regular business hours.

If Public Works is called to your address outside of their normal working hours, you could be charged for their overtime.

A Licensed Plumber can turn your water service off at the meter, if needed.

PLEASE REMEMBER...

to be patient this winter with all Village, County, & State Public Works employees.

They are the **FIRST** First Responders out during snowy weather. Making sure that roads are passable for fire departments, ambulances, and police in case of an emergency.

Village street plowing **will** result in some snow being pushed onto driveway aprons. **This is not on purpose or preventable.** Residents should pile snow to the left side of their drive (looking from the street). This will minimize the amount of snow deposited in your driveway when the Village trucks clear the roadway.

Remember that snowplow operators are out there to keep the streets safe for you. During snowstorms, they can work 12 to 16-hour shifts. Please be patient and courteous by giving them the right of way so they can complete their tasks as efficiently as possible.

Also, remember to clear areas in front of mailboxes to help the post office deliver your mail. Mail Carriers do not have to deliver your mail if they cannot get to your box because of snow.

If you see a water leak, or something you think could be a water leak, Call the Village office to report it as soon as possible.
