**Do I Need a Permit to remove a nuisance animal?**

You may not realize it, but that nuisance animal in your attic, shed, garage, or on your property might be legally protected in Illinois. Most wildlife is protected by law and cannot be killed or even removed without a Nuisance Animal Removal Permit. Most mice, moles, gophers, and ground squirrels can be removed without a permit. Raccoons, skunks, opossums, foxes, coyotes, rabbits, and most fur-bearing animals need a Permit for trapping and removal. To find out if you need a permit for your nuisance animal removal visit the Illinois Department of Natural Resources website <https://www2.illinois.gov/dnr> or contact them by phone [217-782-6302](tel:217-782-6302)

### Meridian Road Railroad Crossing

#### Old Harristown

If a train is stopped on the tracks blocking  
the crossing for more than 20 minutes

please call

**800-946-4744**

Give them crossing #479260U

The text "thank you!" is written in a colorful, playful font. The word "thank" is in blue and green, and "you!" is in orange and yellow.

A Special **THANK YOU** to the anonymous  
community member who donated fans for  
residents in need.

### HELP CONTROL MOSQUITOS!

Mosquito control can often be a community effort. Residents are encouraged to look after their own property and remove standing water, especially after a rain event. Items that can collect water can also harbor mosquito breeding. Residents can also contact Macon Mosquito Abatement at (217) 875-2722 or online at <https://www.maconmosquito.org/> to report standing water or mosquito problems.

### REMEMBER - KEEP YOUR VEHICLES LOCKED

There have been a few reported vehicle break ins in our area. Residents are reminded to remove valuables and keep vehicles locked to help prevent auto burglaries, even when parked outside of your home. Remember that a garage door opened in an unlocked car is like a key to your home. Also, if you SEE SOMETHING – REPORT IT!
