Spring Clean Up

Remember to clean out your ditches and culverts to ensure proper drainage. It is the responsibility of the homeowner to keep them clear of leaves and debris.

REMINDER

Sump pumps should NOT be draining into your sewer. It is not only against Village ordinances but also illegal according to the EPA. Public Works will be inspecting this summer to make sure all resident's sump pumps are hooked up correctly.

Community Involvement Committee

The purpose of the Community Involvement Committee is to help give community members a voice for what events the Village hosts. The goal is to produce events that everyone would enjoy attending and fuel more community involvement.

You do not have to be a Village resident to be involved, this is open to everyone.

The next Community Involvement Committee meeting is March 2nd at 6:00 pm at the Village of Harristown Community Center.

If you would like to be involved but can't make it to the meeting you can email harristownvillage01@gmail.com or call the Village Office @ 217-963-2980.
