**NOTE FROM THE MAYOR:**

I hope everyone is enjoying this Fall weather!

I am fairly sure everyone is tired of hearing about go-carts and other vehicles on Village streets, but again I need to address this. While I know that recreation is important, these vehicles usually show no regard for safety-excess speed, failure to yield at stop signs, trespassing on private property, etc.

Letters (and in some cases fines) have been sent to the parents-when I know who the rider was. The problem remains that many times I do not know who to send a letter to.

A Senior resident of the Village came to me last week extremely shaken by an encounter he had with a dirt bike the night before. It was dark, the bike had no lights and was speeding along Main St. As he was turning on to Main, the resident did not see the dirt bike until it was too late. This could have been a serious accident.

**PLEASE**, for **the safety of your children and all our residents**, be sure these vehicles are driven on your property or somewhere the property owner has given permission.

Thank you,  
Mayor Evelyn Deverell

# END OF SUMMER CELEBRATION & FIREWORKS

The Village would like to thank all the residents, vendors and volunteers that came out on September 4<sup>th</sup> to the Celebration & Fireworks. A little rain did not keep us from having a great turnout!!!

The Harristown Fire Protection District did, yet again, another AMAZING fireworks display!

## BRUSH COLLECTION WEATHER PERMITTING

The Village will plan to have brush collection on the October 12<sup>th</sup>. The brush will need to be out to the road, the maintenance dept. will not go on private property to get brush. Any branches and/or sticks need to be cut down to 4 ft. or smaller or will not be picked up. **Depending on the future weather, this might be the last pick up before winter.**

## TRICK OR TREATING

Trick or treating in the Village will be Sunday, October 31, 2021, from 5-8pm. If you are wanting trick or treaters, please turn on your porch light. Children should only visit those homes with their lights on. Please remind your children to be safe on the road. Please use your manners and be respectful to our residents and our community! Have fun and be safe!

## REMINDER

As a reminder- Golf Carts must have a Village permit, have an orange reflective triangle on the rear and have operable headlights and brake lights!
